Commentson Request for Temporary Retirement of 200-RID Material

STAT

In view of the history (none of the present 263 feet presently in the center are covered by a schedule) I feel that we must require the amendment to their schedule before we accept these additional 200 feet.

STAT

I can't follow [redacted] reasoning as he indicates he has been waiting since February 1967 for RID to submit a schedule for the 263 feet. We have a problem with space in the center and I feel we are not only fully justified in requiring this amendment, but we are also remiss in our responsibilities if we don't enforce this.

Therefore as there is more than adequate time (RID submit feel this squeeze until late Dec.) I recommend that we inform RID that a schedule amendment will be

required before we will accept these records.

I certainly hope that this is an isolated case, maybe we should ask

STAT [redacted] for a list of similar cases.

I further feel that our action as I recommend is consistent with established Records Center procedure and also in agreement with our present attempt to relieve the Center space problem.

We can't in good faith permit this and at the same time [redacted] expend so much effort on the Purge. We must be careful about accepting promises

I have two opposite views on this — May I have yours too. Should we be firm or soft with DDP about this request to deposit 20 cu ft.
